SUMMARY: Graphic Designer, Multimedia Artist/Programmer, 3D Artist/Animator

For the past 7+ years I have worked as 2D/3D artist, Macromedia Director and Flash animator and programmer, GUI designer, and producer of compelling client-based projects in interactive CD-ROM, DVD, video, print and web design/internet media. I also have a current Department of Defense Clearance for security sensitive projects. With my wide range of skills and professional experience I can help you deliver high quality print and media products to your target audience.

SKILLS

Software – Adobe Photoshop, Illustrator, InDesign, After Effects, Flash, Captivate, and Dreamweaver, Newtek Lightwave 3D, 3D Studio Max, Poser, Microsoft Word, Excel, PowerPoint. HTML, Actionscript, Lingo programming. I am equally proficient and comfortable on Macintosh and Windows operating systems and use both daily.

EXPERIENCE

1/2006 - Present **D.P. Associates (Lemoore, CA)**

Graphics Specialist

Create 3D graphics and animation, Flash animation, and graphic illustration and photo manipulation for computer-based training modules.

3/2002 - Present **Lasting Impression Productions (Pleasanton, CA)**

Freelance Animator/Artist

Create 3D animated company logos, 3D Architectural walkthroughs, DVD screen and print media, and 3D virtual sets.

Web Designer

<http://www.go2LIP.com>

Assistant Producer/Writer/Artist

Fence Mender Commercial: co-writer, graphic artist, actor, assistant producer.

9/2000 – 12/2005 **LMA Film and Video (Pleasanton, CA)**

New Media Coordinator

I started out as programmer and production artist and in 2002 became Lead Artist and Lead Programmer for the company and was responsible for designing and creating graphics for print, video, and all user interface design, navigation architecture, and programming of interactive CD/DVD-ROMS, professionally designed PowerPoints, and Web sites for companies such as:
